

Power Belt Conveyors- Series

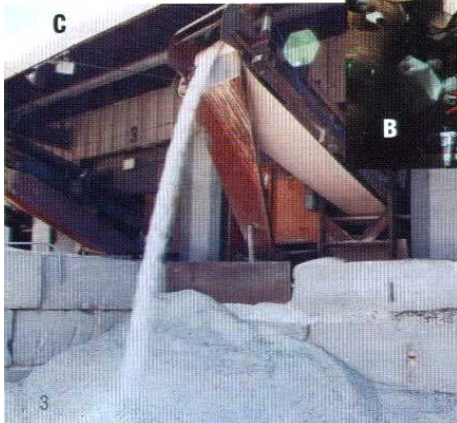

For: Harsh Environments & Applications

FEATURES :

- Modular highly adaptable designs
- Industrial Slider Bed & Sanitary Designs
- Direct Drive Belt Technology
- Guard Rails, Hoppers, Pans, Chutes
- Side Leaves.
- Engineering adaptations available
- Wide Range of Industrial Grade Belts
- Cleats, Accordion Side Walls Standard

A. Garbage Recycling
B. Garbage Recycling
C. Glass Recycling

D. High Speed Conveyers
E. Steel Processing
F. Steel Processing

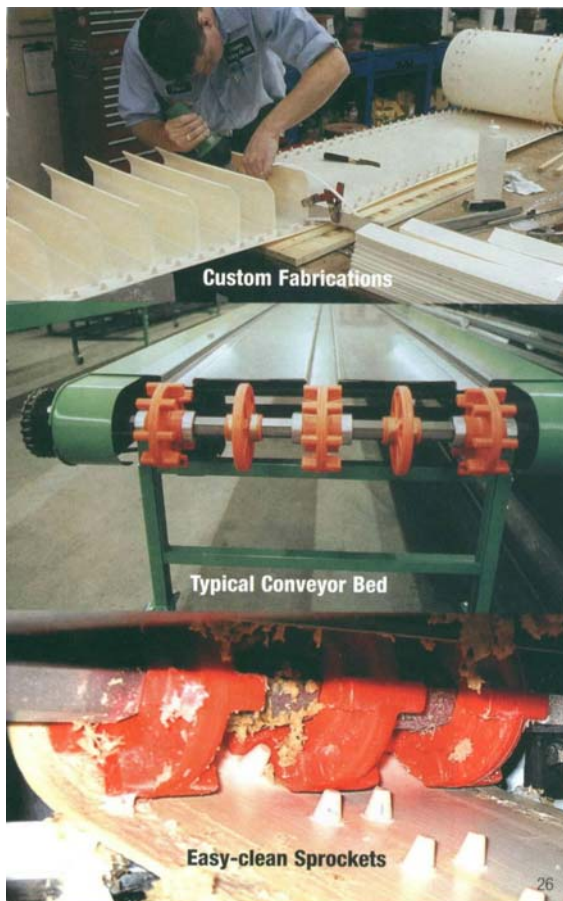

BENEFITS:

- Safe, Flexible, Scalable Design
- Operates at reduced belt tensions
- Operates at lower horsepower
- Endures wet, harsh environments
- Quiet - reducing noise in the plant
- Positive Tracking- reduces operating and maintenance costs

Direct Driven Belt Conveyors

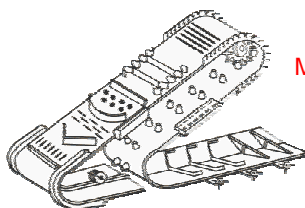

Superior cleaning compared to modular chain style belt

Model	Belt W"	Belt L "
PBI324 to PBI31200	3"	24" to 240"
PBI624 to PBI61200	6"	24" to 240"
PBI924 to PBI91200	9"	24" to 240"
PBI1224 to PBI121200	12"	24" to 1200"
PBI1824 to PBI181200	18"	24" to 1200"
PBI2424 to PBI241200	24"	24" to 1200"
PBI3624 to PBI361200	36"	24" to 1200"

Model	Belt W"	Belt L "
PBS3824 to PBI381200	38"	24" to 1200"
PBI4030 to PBI401200	40"	30" to 1200"
PBI4230 to PBI421200	42"	30" to 1200"
PBI4830 to PBI1481200	48"	30" to 1200"
PBI5430 to PBI541200	54"	30" to 1200"
PBI6030 to PBI601200	60"	30" to 1200"
PBI7230 to PBI721200	72"	30" to 1200"

Multiple Belt Attachment Options

Other lengths & widths can be accommodated.
Sanitary and "Super Sanitary" designs available.
